TO: Air Quality Conformity Task Force

DATE: October 22, 2015

FR: Adam Crenshaw

RE: Review of the Regional Conformity Status for New and Revised Projects

Staff has prepared the following information in an effort to streamline the review of the regional air quality conformity implications of projects that staff proposes to revise or add into the 2015 TIP through current or future revisions. This item is for advisory purposes only. The inclusion of these projects and project changes in a proposed revision to the TIP is subject to Commission approval in the case of amendments and MTC's Executive Director or Deputy Executive Director in the case of administrative modifications. The final determination of the regional air quality conformity status of these projects will be made by the Federal Highway Administration, the Federal Transit Administration and the Environmental Protection Agency as part of their review of proposed final TIP amendments and by the Executive Director or Deputy Executive Director as part of their review for TIP administrative modifications. Staff is not requesting a review of the project-level air quality conformity implications of these projects through this item. Details of each project and category of projects under review is as follows:

Projects Staff is Proposing to Include or Revise in the 2015 TIP

Staff has received requests from sponsors to add one new individually listed project and two new grouped listed projects to the 2015 TIP and to revise the description of one existing, individually listed project. Attachment A includes a list of these projects along with the regional air quality category that staff believes best describes the projects.
